STREET BONDS ROAD RECOVERY

CRACK SEAL PROGRAM UPDATE

Southern Arizona Paving and Construction Co, under contract with the City of Tucson Department of Transportation (TDOT), is continuing its crack seal program associated with the voter-approved \$100 million, five-year street bond program – Road Recovery.

The dates, work hours and locations for the next set of roadway improvements are listed below. The schedule is subject to change due to inclement weather.

Wednesday, December 18 through Friday, January 3 – 8 a.m. to 5 p.m.

Glenn Street – Oracle Road to Alvernon Way

Monday, January 6 and Tuesday, January 7 – 8 a.m. to 5 p.m.

Glenn Street – Swan Road to Craycroft Road

Wednesday, January 8 and Thursday, January 9 – 8 a.m. to 5 p.m.

Pima Street – Swan Road to Tanque Verde Road

During this work, travel lane restrictions will be in place, however at least one lane of travel will be maintained in both directions.

Business and residential access will be maintained at all times during the project. The traveling public can expect delays when driving in the work area. Please obey all traffic control signs and watch for construction personnel and equipment in the work area.

The Road Recovery Program is funded by voter-approved bonds. All proceeds from the bonds will be used to restore and resurface City streets through Fiscal Year 2018. A Bond Oversight Commission composed of citizen volunteers is working to ensure that all bond funds are expended solely for the purpose of repairing city streets.

More information on the Road Recovery Program can be found at www.tucsonaz.gov/streetbonds or by calling (520) 837-4056. Follow @TucsonRoadRecovery on twitter.
